

**SIDE 2: Pick Minky or JD (you can have a friend read the other lines off camera)**

**SKYLAR**

Holy hazelnuts, what's that smell?

*(MINKY slowly EN behind SL curtain xing toward group, laughing).*

**MINKY**

Heh heh heh.

You just got a stinky from Minky. Take it in, everybody, get a whiff. This is nature's Febreeze, straight from the source, me, Minky.

**SKYLAR**

This is the worst thing I've ever smelt.

**JD (a porcupine)**

How do you think I feel? I've been having to live across from that for years! That's why you gotta go Minky!

**MINKY ( a squirrel)**

*(preparing for fight)*

I know my rights JD and I ain't going nowhere.

**JOEY**

Who's house is this?

**MINKY**

It's mine, little squirrel!

**JD**

No it ain't Minky. I got here first.

*(start circling around each other, each x to other side of stage)*

**MINKY**

No you didn't, JD. You just didn't see me cause porcupines can't see nothin'.

**JD**

Don't be trying to use *science* against me Minky, my eyesight is fine! It's FINE.  
Plus I don't need 20/20 vision when I can smell you from a mile away.

**MINKY**

*(JD & MINKY x stage again)*

Oh look, another skunk joke. Laugh it up everybody. He's here til Thursday.

**JD**

It ain't a joke man!

**MINKY**

You see little squirrels, we've been fighting for years and there ain't nothing in these woods that could settle it or bring us together.
