

SIDE 3 - HAWKS scene

(Read Trish or McKinleigh)

Trish, McKinleigh, and Brittany are all teenaged hawks in the nest, who are obsessed with social media and want to be influencers. They are all on their phones recording themselves, live streaming.

MCKINLEIGH

Rise and shine, it's breakfast time!

(ALL the HAWKS wake up with their phones.)

ALL

Good morning, get ready with me!

MCKINLEIGH

(x CS)

Hi everyone! As promised, today's the day I'm gonna take you through a day in the life of me, a Baby Hawk girl. So come on, I'm so excited. *(x DSL)*

TRISH

(x DC)

Ooo good morning, birdie girlies, fit check!

BRITTANY

(x in front of Maddie to CS)

Just hopping on to say how grateful I am for all you.

MCKINLEIGH

Yes I actually just woke up like this, *yes* this is really my voice, and yes, like I'm only gonna wear mascara today. I'm so excited.

TRISH

(To BRITTANY) Hey bird!

BRITTANY

Look everyone, it's my sister. Good morning bird, you're glowing this morning!
That new moisturizer is really making your beak look great.

TRISH

(x to sit on SR tall block)

Thanks sis. I really love it. What I love about it is that its all natural, and the packaging is so cute, with neutral colors, clean lines... But the most important thing I like is how it makes my beak *feel*. Like, every time I put it on, I immediately feel so refreshed. Which is great because I literally couldn't get any sleep last night, because I've been low key *obsessing* about getting a rabbit spice latte. Extra rabbit.

BRITTANY

OMG it's literally winter and you're still in your fall era. Birdie, that is so last season.

MCKINLEIGH

Can everybody sh!? Not to be problematic, because it's the forest, and you all have a right to speak and state your opinions, but I'm filming too.

BRITTANY/TRISH

Sorry sis.
